ACCOMMODATIONS

Westland is committed to delivering modern, fully equipped accommodations and facilities tailored to your operational needs—whether for drilling, production, completions, construction, or other field activities. Our focus on innovation keeps us at the leading edge of the industry, consistently introducing new solutions to improve safety, comfort, and efficiency for your workforce.

Our accommodations fleet features high-quality units sourced from top manufacturers in Alberta and Saskatchewan, ensuring dependable performance and a comfortable living environment. Supported by experienced oilfield hauling crews and knowledgeable service personnel, Westland ensures a smooth transition into your workspace with minimal disruption. We prioritize client satisfaction and are dedicated to providing a superior experience that aligns with your expectations every step of the way.
